About Us

Our Values & Commitment to You

- The cost of HVAC can be high, but the cost of poor HVAC service, to both your wallet and your home's comfort, can be even worse. With Dhruvisha HVAC System Pvt Ltd, you'll never have to worry about your heating and cooling again and will be comfortable and confident in your home/company all year long.
- We know what it's like to experience discomfort. In nearly two decades of operation, we've installed over 20,000 heating and cooling systems in local market. We're the best-reviewed company in the area for a reason: we do it right, or not at all, because we care about taking the fear out of your HVAC decision. Your trust is our only business.

Dhruvisha HVAC System History

- Exactly 22 years after creating a 22-year plan for success, owner Dharmesh B Sheth & Hetal D Sheth opened the doors to HVAC industry in Jan, 2002. Today, Dhruvisha HVAC System Pvt Ltd has realized substantial controlled growth, employs a team of approximately 22 hard-working individuals, and servicing the local market in INDIA.
- We're proud of how far we've come, and proud of the hard work that has helped us to achieve this success.
- We have Started Our Company Named D.H.SYSTEMS (Channel partner of VOLTAS LTD) Since Nov.2002 having a good Infrastructure. After in Nov,2011 the has converted in to PVT ltd named M/S Dhruvisha HVAC Systems Pvt Ltd(Channel partner of LG ELECTRONICS INDIA PVT LTD.)
- Dharmesh Sheth : I m Science Graduate & Diploma in Carrier Systems Design Course , I Have Experience 22 Year in HVAC Indurties. Very Keep on Pharma Project , Ductable Ranges , VRF , Chiller & Packages

WHY SHOULD YOU CHOOSE US?

Despite being a newbie in this field, we have gained enough fame with our commendable work ethic. With expertise in MEP designs, installations, commissioning and supply we give our best to provide quality services to our clients. Moreover, we are also quite acquainted with development, planning and validations. Well, the company which was started At Year of 2002 Ahmedabad with a group of few, is today the No. 1 choice of all clients because, Mention Below Point :-

- 👉 Unlike the rest, we design renewable energy resources.
- 👉 By offering the finest extra-low voltage services, we stand out from the rest.
- 👉 Assisted with perfect peer review services, we analyse each and every angle of our project.
- 👉 With certifications from IGBC & ISO, we are very proficient at designing and constructing Green Buildings.
- 👉 We promise the smooth execution of your project that too within the promised time and amount.
- 👉 We have the liability to use any brand or software during the installation of your projects.

PROJECT DELIVERY

Dhruvisha HVAC System Pvt.Ltd. takes pride in providing the highest quality solutions for any facility. From Project Approach to Project Execution, every aspect of the job is well thought out and caters to the specific needs of each customer. Thorough processes are followed to ensure that all requirements are met and exceeded from start to Finish.

PROJECT APPROACH

Plan-Specification

With decades of experience in construction projects, we will review plans and specifications to determine the lowest possible cost and build per design.

Design-Assist

We work closely with the design and construction team to clarify the operational benefits and review alternate options based on price and performance.

Design-Build

These projects bring together the owner, architects, general contractors, engineers, and other trades to meet the owner's requirements for the process.

Integrated Project Delivery

Being able to integrate all the resources for one company is a task, and we regularly participate in collaborative design and planning processes to accommodate the unique needs of each project.

Lean Production & Construction

Since we manufacture most of our own systems, we have implemented Lean methods to reduce cost and inventory in our shops. As a "just-in-time" manufacturer, planning is a critical part of our process.

PROJECT EXECUTION

Acquisition

- Qualify - Go/No Go
- Estimate the Project
- Value Engineering
- Price the Project

Planning

- Contract / Scope Negotiation
- Turnover Meetings
- Labor Validation
- Construction Budget
- BIM / Detailing
- Prefabrication Plan
- Purchasing, Material & Site Plan
- Manpower / Productivity Plan

Execution

- Prefabrication
- QA/QC Plan » Project Billings
- Productivity Management
- Material Management
- Manage Subs & Vendors
- Cost to Complete Forecasts
- Change Order Management

Closure

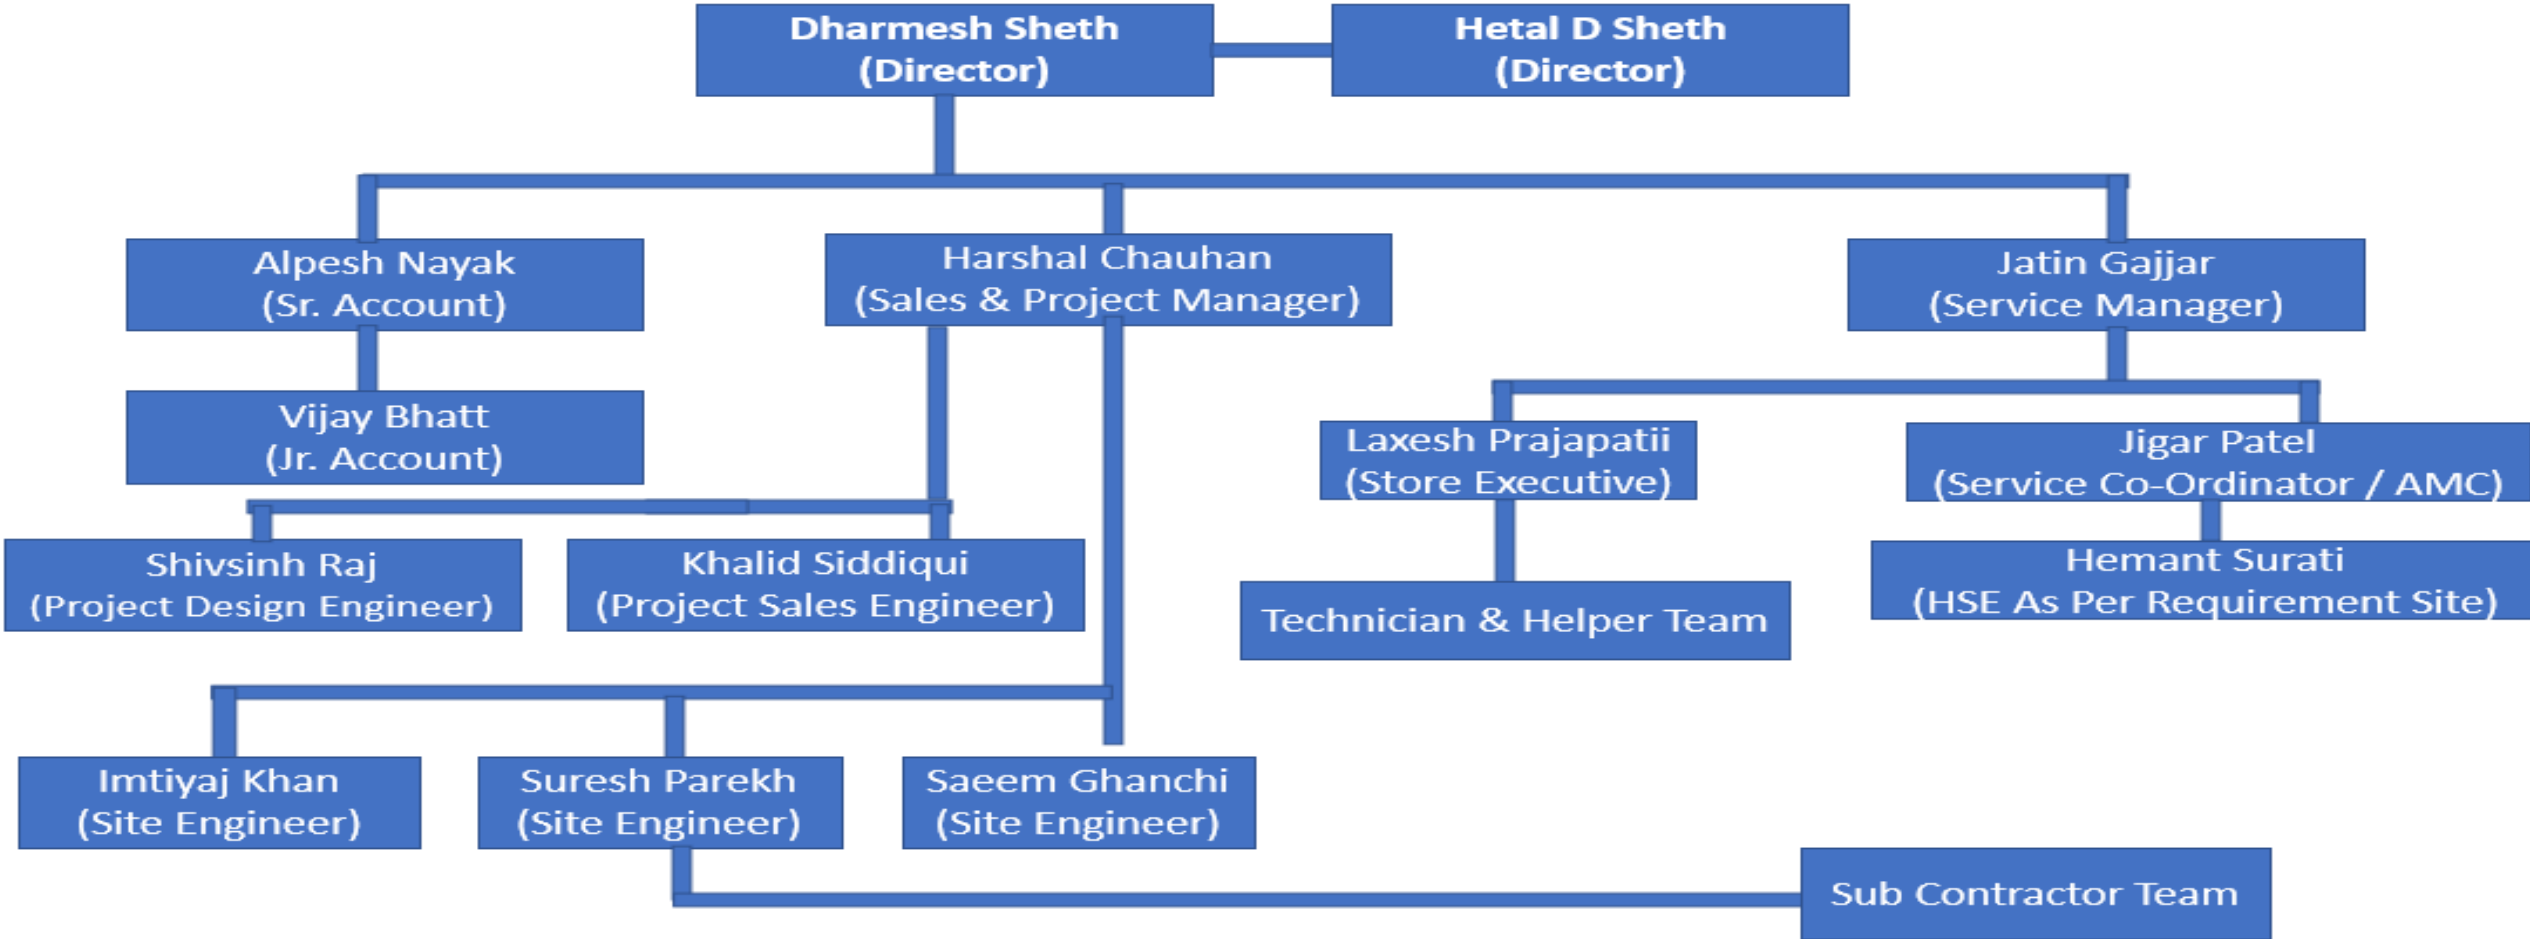

- Start-Up
- Commissioning
- Closeout Meeting
- Turnover to Service
- Lessons Learned

QA / QC

Having successfully completed many projects in hyper quality controlled environments such as the pharmaceutical and mission critical industries, EAS has adopted many quality assurance and quality control (QA/QC) procedures that match or surpass the rigorous validation processes required for FDA approval.
